

X-Pen 1000 mg of CBD Hemp Extract

\$129.00

After conducting research on multiple CBD oil delivery systems, your team of experts at Elixinol developed a solution which delivers the perfect amount of CBD for you. With the X-Pen, you can now enjoy a number of benefits including:

- **Precise Serving Sizes:** With each click, you receive 15mg of CBD Hemp Extract
- **Airless Delivery:** Hermetic cartridge keeps the extract in a vacuum, protected from air and bacteria
- **Secure Storage:** A simple twist-lock mechanism prevents unwanted dispensing or spills
- **Hygienic:** Removable, washable tip enables sanitary conditions for multiple users
- **Shielded:** A proprietary violet polymer housing protects content from light to prolong freshness
