

CBD Dog Treats – Hemp Oil Edibites with Peanut Butter & Banana

\$23.99

Treat your dog to a healthy option with our CBD dog treats. These tasty dog treats contain CBD to help maintain your dog's best health. Dogs have an endocannabinoid system very similar to humans so they have cannabinoid receptors throughout their body. Whether your dog is healthy or suffering from ailment, CBD dog treats can contribute towards better health.

- CBD dog treats specially formulated for canines
- Each Edibite cbd dog treat contains between 1 and 1.5 milligrams of CBD. Pet Releaf CBD hemp oil is produced from organic, European grown hemp plants
- Organic, human grade and whole food ingredients
- Created with veterinarians and our master chef
- We make everything ourselves in small batches
- 3rd party laboratory testing to ensure the safety and efficacy of everything we make
- Made with honesty and integrity
