

CBD Liposome Hemp Extract 1000mg – Citrus Twist

\$129.00

Hemp Oil Liposomes are the best way to ensure that your body can absorb the cannabinoids in our hemp oil. Just a quick spray under the tongue from the convenient pump dispenser and you're good to go!

- 5 mg of bioavailable CBD per serving, 200 servings.
- Full-spectrum hemp extract (no isolated or synthetic cannabinoids).
- 3.5 oz (100 ml) in a spill-proof bottle with a spray pump dispenser.
- Real fruit flavor naturally sweetened with Stevia herb extract for a great taste.
- Organic hemp CO₂ extract tincture – no chemicals used in the extraction process.
- Miron violet glass, selectively allows the energising and enhancing violet wavelengths while blocking all others.
