

CBD Liposome Hemp Extract 300mg – Citrus Twist

\$59.99

Hemp Oil Liposomes are the best way to ensure that your body can absorb the cannabinoids in our hemp oil. Just a quick spray under the tongue from the convenient pump dispenser and you're good to go!

- 5mg of bioavailable CBD per serving, 60 servings.
- Full-spectrum Hemp extract, no isolated or synthetic cannabinoid.
- Organic hemp CO2 hemp CBD extract tincture.
- 1 oz (30 ml) in a spill-proof bottle with a spray pump dispenser.
- Real fruit flavor naturally sweetened with Stevia herb extract.
- Miron violet glass, selectively allows the energising and enhancing violet wavelengths while blocking all others.
